

Oscar Carrillo

4508 West Knox St | Tampa, Florida 33614 | oscarc1@usf.edu | (813)-863-3279

Education

University of South Florida Bachelor of Science, Electrical Engineering	Tampa, FL 08/26 – Present
Hillsborough College Associate of Arts, 3.33 GPA, 68 Credit Hours High School Dual Enrollment Program Relevant Coursework - Calculus Three, Differential Equations	Tampa, FL 08/22 – 05/26
A.P. Leto Comprehensive High School 3.67, 7.67 GPA, 1500 SAT Florida Academic Scholar, National Merit Commendation	Tampa, FL 08/22 – 05/26

Experience

IEEE EXO Technical Program Control Lead	Tampa, FL 08/26 – Present
- Leading the controls sub team for a student-built lower-limb exoskeleton developed in partnership with the CARRT Lab, defining control architecture and state-machine logic for hip and knee actuator commands. - Designing CAN-based communication between embedded microcontrollers (Teensy 4.1) and an NVIDIA Jetson Orin Nano Super for real-time actuator control and IMU sensor data processing. - Building and validating offline controller-tuning pipelines using CMA-ES optimization in Python to determine assistance parameters for gait-phase-specific control strategies.	
Fresh Kitchen Line Server	Tampa, FL 06/26 – Present
- Prepared and assembled made-to-order meals accurately and efficiently during high-volume service periods. - Collaborated with kitchen staff to maintain food quality, portion consistency, and sanitation standards.	
Five Guys Shift Lead	Tampa, FL 09/25 – 06/26
- Delivered high quality customer service in a fast-paced environment. - Maintained food safety standards under strict guidelines. - Trained and onboarded new team members on operational procedures and customer service standards.	

Leadership & Activities

Mu Alpha Theta (Math Honor Society) Vice President	Tampa, FL 08/23 – 05/26
- Coordinated fundraising initiatives to support travel, registration fees, and competition expenses. - Schedules competition dates and coordinated transportation logistics for team participation. - Competed in regional and state math competitions at the calculus level to represent my school.	
Upward Bound Math and Science at USF Scholar	Tampa, FL 08/23 – 05/26
- Independently taught the first unit of AP Calculus BC to peers after being entrusted with instructional responsibility. - Awarded Summer Mathematics Achievement Award for Instructional leadership and academic excellence. - Participated in college readiness workshops and advanced coursework to simulate college level rigor.	

Skills and Interests

Technical Skills: Embedded Systems (Teensy, Jetson Orin Nano), SolidWorks, Circuit Prototyping

Languages: Fluent English and Spanish

Interests: Final Fantasy XIV, Gaming, Mathematics, Baking, Model building, Music, Anime.
